10 Feb 2016

Dear Parents/Guardians

**Academic Workshops for Parents 2016 – Primary 2**

We have lined up a series of academic workshops for parents, in the areas of English Language, Mother Tongue Languages and Mathematics. The objective of these academic workshops is to provide you with an overview of what your child is learning here in Punggol View so that you can better support your child at home. We will also be sharing with you some learning and teaching strategies that our teachers are using to support your child's learning in school. The English Language and Mathematics workshops will be conducted in English while the Mother Tongue Languages (MTL) workshops will be conducted in their respective MTL.

We will be collecting \$3 per participant per workshop. The money collected will be used to defray the costs to prepare the workshop materials as well as to provide light refreshments for all participants. Due to space constraints and the need for parents to have a conducive environment for learning, we would be very grateful if you do not bring your child along to the workshop. Please do arrange for someone to look after your child while you attend the workshop session(s).

We would appreciate it if you could complete the reply slip attached, and enclose it with the money in an envelope. Our Administrative Staff will be stationed in the school hall to collect the envelope containing the reply slips and payment from your child during the morning assembly on Friday 12 Feb 2016 and Monday 15 Feb 2016.

We would like to inform you that we will require a minimum number of 10 participants for each of the academic workshops to run. If we are not able to run the workshop, the payment for the workshops will be returned to you through your child. Please find the details of the academic workshops in the overleaf. If you are not able to attend the workshop after paying for the session, we will pass the materials to your child so that you could refer the materials for your reference. Please feel free to contact your child's subject teacher if you need any assistance.

We thank you in advance for your support and we look forward to your participation at the workshops. Thank you.

Ms Balbir Kaur  
HOD English Language

## Workshop Details

Subject	Day / Date	Time	Topics covered
