Dear Parents,

Health and Safety Matter for Term 3

1. We would like to inform you that we will be conducting a temperature-taking exercise on Thursday 30 Jun 2016 in the morning.
2. We want to maintain vigilance by ensuring that processes are in place for the swift re-activation of temperature-taking measures as and when necessary. This is important to ensure that our students are always safe and healthy in Punggol View.
3. To help our students develop personal responsibility for the cleanliness and maintenance of their oral digital thermometers (ODTs), your child's Form Teacher will be working with your child to test the ODT on Tuesday 28 Jun 2016 to ensure that it is working condition as well as to practice the routine.
4. The Form Teacher will alert our students who do not have a working ODT to bring one by Wednesday 29 Jun 2016. The bookshop will keep stock of new ODT at \$5.20 and batteries for the ODT at 80 cents as from Tuesday 28 Jun 2016. You can also acquire it outside the school. The actual exercise will be conducted on Thursday 30 June 2016.
5. We would be grateful if you could ensure that your child brings wet wipes or tissues to school on both Tuesday 28 Jun and Thursday 30 Jun 2016. Your child will be taught to clean the ODT after use. With your support, we are sure we can conduct a successful temperature-taking exercise as part of continuing efforts to provide a healthy and safe environment for our students in our school.
6. We thank you in advance for your kind understanding and support.

Warmest regards,

Mr Chua Chye Hock
Vice-Principal
