

7 April 2020

SCHOOL CLOSURE AND HOME-BASED LEARNING

Dear Parents / Guardians,

MOE Kindergarten and KCare will **suspend services from 8 April 2020 to 4 May 2020**, in line with the Multi-Ministry Taskforce's latest efforts to further enhance safe distancing measures. Parents working in essential services who are unable to secure alternative care arrangements may approach MK for assistance.

We have prepared a set of home-based activity ideas to promote interactions and foster family bonding. We hope you will engage your child in these suggested activities and support his/her learning through play and exploration at home. You will get the first set of activities via email today. Subsequent activities will be emailed every Monday, starting from 20 April. You can also download the activities from our Punggol View Primary School – MOE Kindergarten website (see QR code and link below).

go.gov.sg/mkpvp

During this period, our teachers will keep in regular contact with children and parents through phone calls as maintaining touchpoints with young children is vital to nurturing relationship and trust.

Please ensure that your child stays at home and continues to observe good hygiene practices such as washing hands frequently with soap. If he/she feels unwell (e.g. displays any fever or flu-like symptoms), please seek medical attention promptly and keep us informed.

MK and KCare will resume on 5 May 2020. MOE will continue to closely monitor the COVID-19 situation to assess if these measures need to be prolonged. We urge parents to rely on official sources of information and not to circulate any unconfirmed information.

For further queries, please contact 6570 1588 or mk_punggolview@moe.edu.sg.

Yours faithfully,
Ms Karen Chia
Centre Head
MOE Kindergarten @ Punggol View
