Dear Parents/Guardians,

Home-Based Learning (HBL) for Primary 1 to Primary 5 Students during PSLE Listening Comprehension Examination Day (Fri 17 September 2021)

Due to PSLE Listening Comprehension Examination, there is no school for Primary 1 to Primary 5 students on 17 September (Friday). Punggol View Primary will be assigning learning activities/assignments to our P1 to P5 students via the Singapore Student Learning Space (SLS) during the PSLE Listening Comprehension (LC) Examination day. This is to ensure continuity of learning for our P1 to P5 students during the PSLE exam day. With HBL we aim to develop in our students the competencies and skills to be self-directed learners who are able to manage and monitor their own learning. We also seek your understanding that as our teachers are deployed to support the PSLE LC, they will attend to your queries, if any, as soon as they are able to.

The HBL will consist of 2 hours of online learning via the SLS portal and 2 hours of offline learning which include offline assignments or readings, with breaks in between. P1 to P5 students are requested to complete the SLS learning activities via the SLS portal for the online learning segment. SLS learning activities are open for three working days (excluding Sat, Sun & Public Holiday). There will be no SLS learning activities during public holiday. If students are not able to log in to the SLS portal during the scheduled login timing, they can still attempt the SLS activities after
