Dear Parents/Guardians,

e-learning for Primary 1 to Primary 5 Students during PSLE Oral Days (Wednesday 12 August and Thursday 13 August)

Punggol View Primary School will be assigning learning activities/assignments to our students via the Singapore Student Learning Space (SLS) and/or hardcopy worksheets during the PSLE Oral Examination Days on **12th August (Wednesday) and 13th August (Thursday)**. This is to ensure continuity of learning for our P1 to P5 students during e-learning days. With e-learning we aim to develop in our students the competencies and skills to be self-directed learners who are able to manage and monitor their own learning. We also seek your understanding that teachers will respond to your queries, if any, as soon as they are able to.

P1 to P5 students are requested to complete the SLS learning activities via the SLS portal for the online learning segment. SLS learning activities are open for three working days (excluding Sat, Sun & Public/School Holiday). There will be no SLS learning activities during public/school holiday. If students cannot log in to the SLS portal during the scheduled login timing, they can still attempt the SLS activities after that. Please be assured that students are given sufficient time to complete their online activities.
