23 September 2024

Dear Parents/Guardians,

e-learning for Primary 4 during PSLE Written Exam Days (Thu 26 September to Fri 27 September 2024)

Punggol View Primary School will be assigning learning activities/assignments to our Primary 4 students via the Singapore Student Learning Space (SLS) during the PSLE Written Exam days from **26 September (Thursday) to 27 September (Friday)**. This is to ensure continuity of learning for our P4 students during the 2 days. With e-learning we aim to develop in our students the competencies and skills to be self-directed learners who are able to manage and monitor their own learning. We also seek your understanding that as our teachers are deployed to support the PSLE Written Exam, they will attend to your queries, if any, as soon as they are able to.

The e-learning will consist of online learning via the SLS portal and offline learning which include offline assignments or readings, with breaks in between. P4 students are requested to complete the SLS learning activities via the SLS portal for the online learning segment. SLS learning activities are open for three working days (excluding Sat, Sun & Public Holiday). There will be no SLS learning activities during public holiday. If students are not able to log in to the SLS portal during the scheduled login timing, they can still attempt the SLS activities after that. Please be assured that students are given sufficient time to complete their online activities.

Refer to the table below for the Assignment start and end dates:

Our Mission
