Dear Parents/Guardians,

e-learning for Primary 1 to Primary 5 Students during PSLE Marking Days (16 Oct to 18 Oct 2023)

Punggol View Primary School will be assigning learning activities/assignments to our students via the Singapore Student Learning Space (SLS) and/or hardcopy worksheets during the PSLE Marking days from **16 October (Monday) to 18 October (Wednesday)**. This is to ensure continuity of learning for our P1 to P5 students on this day. With e-learning we aim to develop in our students the competencies and skills to be self-directed learners who are able to manage and monitor their own learning. We also seek your understanding that as our teachers are deployed to support the PSLE Marking days, they will attend to your queries, if any as soon as they are able to.

P1 to P5 students are requested to complete the SLS learning activities via the SLS portal for the online learning segment. SLS learning activities are open for three working days (excluding Sat, Sun & Public Holiday). There will be no SLS learning activities during public holiday. If students are not able to log in to the SLS portal during the scheduled login timing, they can still attempt the SLS activities after that. Please be assured that students are given sufficient time to complete their online activities.
