Cultivating the Value of Responsibility

Attendance and Punctuality matters

Being punctual is an important habit we would like to cultivate in your child. Cultivating this good habit will help him/her in their learning and development. Please note that all students must report punctually by 7.30 am on all school days. P1-P5 students will attend the Happy Hall programmes while our P6 students will continue with the R³ programme where additional support will be provided for them as they continue to prepare for PSLE. Any absence from school must be covered by a medical certificate or a letter (no more than 5 letters per semester) with valid reason from parent.

Students must continue to attend school after their examinations, including the PSLE.

Our teachers will be planning many enriching post-examination activities that will benefit them. We strongly urge parents not to make any travel plan during school term and to ensure your child attends school regularly and punctually.

School Uniform

Please note that **all students must be in full uniform on days when there is no PE.** They are allowed to put on full PE attire on PE days. Name tag forms part of the school uniform/ PE attire and they are to be sewn on both the PE attire and full uniform.

Looking after personal belongings

We seek your support to reinforce our school value of "Responsibility" in which we would like to educate our students to take good care and be responsible for their belongings. Increasingly, we are seeing more unclaimed "Lost and Found" items. Kindly ensure your child's personal items such as water bottle, lunch box, wallets, shoes (to avoid mix up when they take off shoes during music lesson), etc are clearly labelled with their names and classes. Should your child lose his/her water bottles and lunch boxes, he/she is to proceed to the "Lost and Found" trolley at the canteen. For all other missing items, students are to approach our staff at General Office.

In addition, we would like to encourage students to pack their bags and remember to bring required items to school every day. To help your child to be independent, please refrain from delivering your child's forgotten items such as homework, pocket money*, water bottle, etc.

**students can come to General Office to borrow \$2 if they have forgotten to bring pocket money. We do not want our students to go hungry in school. Our staff from General Office will inform you before any money is given to your child. As part of living out their value of responsibility, student will return the money to the General Office the following school day.*

Upcoming Events in Term 3

Please find on page 7 & 8 of this newsletter, a detailed schedule of school events for Term 3, including the dates of PSLE Oral and Listening Comprehension and Continual Assessment 2. We hope the information will be useful for your planning ahead.

The school will be closed on the PSLE Oral Examination days on Thursday, 16 Aug and Friday, 17 Aug as well as the PSLE Listening Comprehension Examination on Friday, 14 September. Student Care Centre will be open from 1pm to 7pm during these 3 days. Kindly note that apart from the Primary 6 students, all other students **will not be allowed into the school before 1pm.**

New Timetable

Every term your child will receive a new timetable. For Semester 2, due to staff movement, the change in timetable may entail a change of teacher for your child. Please note that a touch- base letter will be sent to you if there is a change of teacher in your child's class.

Please also note the change in recess and lunch timing as below:

Level	Recess	Lunch on Thursday
P2 & P4	8.50am to 9.20am	11.50am to 12.20pm
P1 & P3	9.20am to 9.50am	12.20pm to 12.50pm
P5 & P6	9.50am to 10.20am	12.50pm to 1.20pm

Note: there are some exceptions in recess and lunch times for some classes to avoid disruption in the learning and teaching process

Safety and Security

We understand our safety and security measures have brought about some inconvenience to you and your child. Please refer to the details with regards to arrival, dismissal and visitors' entry in our letter PGVP/004/2018 dated 2 Jan 2018. Our security guards have been tasked to carry out their duties to ensure the safety of all our students. We seek your kind support and cooperation so that together we can make PGVP a safe and secure second home for our children.

Thank you...

We would like to thank all parents for their support for the various school programmes and endeavours. Building a family is not easy. It requires the 5Cs, namely: communication, care and concern, commitment and courtesy. There may be times where we could have done better in our communication such that misunderstandings could be kept to the minimal. As a school, we will continue to strive towards communicating our intent and purpose clearly. Please do not hesitate to contact your child's teacher if you have further queries on the school programmes or concerns with regard to your child's learning. We wish you a great semester ahead.

Yours in partnership

Dr Vivien Ang
